We enjoyed a terrific day for 19 VIPs on May 12th hosting guests from the Dragonboat Club of Charleston thanks to our wonderful host captains and donors! Here's one of many nice testimonials we received in return:

"In Feb., I had my 10th surgery related to cancer. The process often lasts for years. I am so grateful to Sailing Heals for providing the changes to cruise Charleston Harbor. It was time well spent, leaving worries and treatment behind. Thank you for a glorious afternoon!"
