

Happy Thanksgiving!

Dear Friends of Sailing Heals,

At this time of gratitude, we say thank you for contributing to
thousands
of smiles on the healing seas this year!

I recently sat down to recap our mission and share postcards of many
of our beautiful VIPs and our invigorating sails this year.

Please take a moment to check out this brief video.

We wish all of our VIPs, donors, sponsors, host captains and
volunteers a healthy and happy Thanksgiving.

With thanks & blessings to you,

Trisha and the Board of Sailing Heals
