## Hello and welcome!

Please enjoy our newly expanded museum that houses over 70 wonderful cars representing six decades of modern design! We hope that the kinetic art, that is manifested in the museum, gives you as much pleasure as it gives us. During your visit please feel free to visit our new gift shop and take a spin in one of our eight driving simulators!

As we are not only car enthusiasts but also avid sailors, we know first-hand how healing the sea can be, especially when one is facing a major health challenge. That is why we are thrilled to support the work of Sailing Heals with some the proceeds also benefitting Mass General Hospital Cancer Center.

We would like to thank you for attending tonight, along with our acknowledgment of our wonderful host committee and our generous raffle donors!

Enjoy the evening!

**Gunther and Maggie**
